interviews focus groups and questionnaires are everyday tools of the academic researcher in business and management studies most research degrees and many academic peer reviewed journal papers have employed one or more of these techniques ironically the knowledge and skills required to use these tools are not often well taught and the books available on these topics can be daunting this highly accessible book addresses these three field methods and explains how they may be employed to good effect the book also provides examples or research protocols letters and checklists which are of direct use to researchers using these methods the new edition includes chapters on data management data saturation and more field methods for academic research provides an accessible reference guide for those like me who need to be introduced to these practices in a jargon free way robert pulley great job and indeed a very original book you have got what it takes to reflect both your academic and life experiences that assist many new researchers like myself george simataa

warren buffett is the most famous investor of all time and one of today s most admired business leaders he became a billionaire and investment sage by looking at companies as businesses rather than prices on a stock screen the first two editions of the warren buffett way gave investors their first in depth look at the innovative investment and business strategies behind buffett s spectacular success the new edition

updates readers on the latest investments by buffett and more importantly it draws on the new field of behavioral finance to explain how investors can overcome the common obstacles that prevent them from investing like buffett new material includes how to think like a long term investor just like buffett why loss aversion the tendency of most investors to overweight the pain of losing money is one of the biggest obstacles that investors must overcome why behaving rationally in the face of the ups and downs of the market has been the key to buffett s investing success analysis of buffett s recent acquisition of h j heinz and his investment in ibm stock the greatest challenge to emulating buffett is not in the selection of the right stocks hagstrom writes but in having the fortitude to stick with sound investments in the face of economic and market uncertainty the new edition explains the psychological foundations of buffett s approach thus giving readers the best roadmap yet for mastering both the principles and behaviors that have made buffett the greatest investor of our generation
