though the wonders of ancient roman culture continue to attract interest across the disciplines it is difficult to find a lively accessible collection of the full range of the era s literature in english the oxford anthology of roman literature provides a

general introduction to the literature of the roman empire at its zenith between the second century bc and the second century ad two features of this extraordinarily fertile period in literary achievement as evidenced by this anthology are immediately and repeatedly clear how similar the romans view of the world was to our own and perhaps even more obviously how different it was most of the authors included in the anthology wrote in latin but as the anthology moves forward in time relevant greek texts that reflect the cultural diversity of roman literary life are also included something no other such anthology has done in the past roman literature was wonderfully creative and diverse and the texts in this volume were chosen from a broad range of genres drama epic philosophy satire lyric poetry love poetry by its very nature an anthology can abbreviate and thus obscure the most attractive features of even a masterpiece so the two editors have not only selected texts that capture the essence of the respective authors but also have included accompanying introductions and afterwords that will guide the reader in pursuing further reading the presentations of the selections are enlivened with illustrations that locate the works within the contexts of the world in which they were written and enjoyed the student and general reader will come away from this learned yet entertaining anthology with a fuller appreciation of the place occupied by literature in the roman world

the most trusted anthology for complete works and helpful editorial apparatus the tenth edition supports survey and period courses with new complete major works new contemporary writers and dynamic and easy to access digital resources new video modules help introduce students to literature in multiple exciting ways these innovations make the norton an even better teaching tool for instructors and as ever an unmatched value for students

the new edition of this bestselling literary theory anthology has been thoroughly updated to include influential texts from innovative new areas including disability studies eco criticism and ethics covers all the major schools and methods that make up the dynamic field of literary theory from formalism to postcolonialism expanded to include work from stuart hall sara ahmed and lauren berlant pedagogically enhanced with detailed editorial introductions and a comprehensive glossary of terms

excerpt from an anthology of german literature this book is designed to accompany an introductory study of the history of german literature it is assumed that the history itself will be learned so far as may be necessary either from lectures or from

some other book devoted to the subject i have tried to make a good anthology for students who have learned to read the language of goethe and schiller with some facility and would like to know something of the earlier periods but have not studied and may not care to study old and middle german on this account the selections in part first are given in modern german translations the original texts are omitted because space was very precious and the book was intended as an aid to literary rather than linguistic study in making the selections my first principle was to give a good deal of the best rather than a little of everything i wished to make friends for medieval german poetry and it seemed to me that this could best be done by showing it in its strength and its beauty so i have ignored much that might have had a historical or linguistic interest for the scholar and have steadily applied the criterion of literary worth about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

the eighth edition features a diverse and balanced variety of works and thorough but judicious editorial apparatus throughout the new edition also includes more complete works much requested new authors 170 in text images new and re thought contextual clusters and other tools that help instructors teach the course they want to teach

represents the full texts of a selection of english literature drama and poetry across the ages

this anthology is designed for the indispensable courses that introduce students to the unparalleled excellence and variety of english literature

this anthology features a wide ranging collection of poems and scenes from novels that stretch from the fifteenth century to the present day from well known texts to others that are less familiar here is london brought to life through the words of many of the greatest writers in the english language page 4 of cover

verse and prose from the 6th century ce pre islamic to the early 18th century ce

selected as an outstanding academic title by choice selected as an outstanding reference source by the reference and user services association of the american library association there are many anthologies of southern literature but this is the first companion neither a survey of masterpieces nor a biographical sourcebook the companion to southern literature treats every conceivable topic found in southern writing from the pre columbian era to the present referencing specific works of all periods and genres top scholars in their fields offer original definitions and examples of the concepts they know best identifying the themes burning issues historical personalities beloved icons and common or uncommon stereotypes that have shaped the most significant regional literature in memory read the copious offerings straight through in alphabetical order ancestor worship blue collar literature caves or skip randomly at whim guilt the grotesque william jefferson clinton whatever approach you take the companion s authority scope and variety in tone and interpretation will prove a boon and a delight explored here are literary embodiments of the old south new south solid south savage south lazy south and sahara of the bozart as up to date as grit lit k mart fiction and postmodernism and as old fashioned as puritanism mules and the tall tale these five hundred entries span a reach from lady to lesbian literature the volume includes an overview of every southern state s belletristic heritage while making it clear that the southern mind extends beyond geographical boundaries to form an essential component of the american psyche the south s lavishly rich literature provides the best means of understanding the region s deepest nature and the companion to southern literature will be an invaluable tool for those who take on that exciting challenge description of contents 500 lively succinct articles on topics ranging from abolition to yoknapatawpha 250 contributors including scholars writers and poets 2 tables of contents alphabetical and subject and a complete index a separate bibliography for most entries
